DOYLESTOWN, PA, February 21, 2009 /24-7PressRelease/ -- The Law Offices of Rhonda Hill Wilson, P.C. has expanded its headquarters into a new space in Suite 820 of its current building at 1500 J.F.K. Boulevard in Philadelphia. The larger space accommodates the continued growth and expansion of the personal injury law firm which handles nursing home abuse and nursing home negligence, medical malpractice, brain injuries, wrongful death, work injuries, motor-vehicle and pedestrian accidents.

Rhonda Hill Wilson is the sole proprietor of the award-winning personal injury law firm in Philadelphia. She has been practicing law for nearly three decades in Pennsylvania and New Jersey. Hill Wilson said, "We are excited to be starting fresh in a new space in 2009. We are planning to add another attorney and legal secretary to our staff and will need the extra space to enable us to continue to grow."

The personal injury law firm consistently delivers a high level of integrity and compassion to its clients. One of the firm's most recent successes includes a multi-million-dollar medical malpractice settlement for a woman who was left in a vegetative state following a Caesarean section. In addition to being a member of the Million Dollar Advocates Forum and listed in Who's Who in American Law, in 2008 Hill Wilson was named one of the Top Black Lawyers in the Tri-State Area by The Network Journal, received the Presidential Award from the National Bar Association and was named one of Main Line Today's Women on the Move.
